

## Associate Programme

An associate program is an elite training scheme, that allows dancers with potential to train with outside teachers and at a level that pushes them to achieve a higher standard.

The classes will enhance the students technique and performance, and provide them with a unique experience outside of their usual classes.

Outside teachers with different skills will be brought in and students will cover ballet, ballet repertoire, jazz and conditioning.

At the end of the year there will be a presentation of the students work.

Places are awarded by audition.
